VENUE DESCRIPTION

We're very excited to be holding a race at this beautiful and relatively unknown spot in South Central Idaho. Aspen groves, great trails, Magic's down home atmosphere and abundant USFS camping in the area should provide for a memorable experience for all attendees. This course will again favor the student-athlete who likes to climb and ride slightly technical terrain. Racers will be treated to a 1+ mile climb out of the start. This climb tops out on perhaps one of most scenic ridge tops for the entire series before gradually descending back to the main lodge and start/finish area. Be prepared for "old-school" trails. Most of our race courses are on purpose built mountain bike trails, meaning they have certain cycling specific flow to them. Most of Magic's trails are not purpose built and are comparable to riding on hiking trails.

IICL RACE DURATION GUIDELINES

Racers will turn laps on this scenic course, with the following **Race Duration Guidelines** for each category:

- <45 mins for Middle School
- 45-90 mins for Frosh/Soph boys and girls & and JV girls
- 60-100 mins for JV boys and Varsity girls
- 90-120 mins for Varsity boys

Student-athletes may be asked to withdraw at the finish line after time limits have been reached. Race officials reserve the right to determine these time limits at anytime. Time limits may be imposed for reasons that include, among others: safety, heat, cold, rain, muddy conditions, clearing the course, and relieving course marshals. Course closures may be announced at anytime and do not need to be announced in advance.

Racers who do not make the time limit cut-off will still be scored and ranked.

Due to the elevation, weather and challenging terrain of Idaho League courses, these duration guidelines may be changed at IICL discretion.

VOLUNTEERS NEEDED

Race day would not be possible without the incredible work of our volunteers. It takes a “village” to put on quality youth mountain bike races. Many parents and cycling enthusiasts find that getting involved with our events is a fun and rewarding experience.

Friday and Saturday positions are available

We know some positions can look complex and possibly overwhelming for first-time volunteers. Rest assured ALL of our volunteer positions are fun and straight forward. With the help of our training videos [HERE](#) and onsite review with one of our core-staff members, you'll feel confident and well-prepared volunteering for a race. So pick one (or two) that sound interesting to you, and look forward to the fun!

CLICK [HERE](#) TO VOLUNTEER FOR ANY OF THE RACES
