Team Party, Individual Winner and Team Splits

The winning team for the \$500 team party goes to [Sage International School of Boise](#). They raised \$4,710 overall, so the team gets \$2,355!

Jimmy Leinert with [Teton Valley Composite Mountain Bike Team](#) sold \$1,160, and Carson Jacobson with [Magic Valley Composite High School Mountain Biking Team](#) sold \$1,180. Both students worked so hard on this, the Idaho league decided to award two \$200 gift cards. Way to go gentlemen!

Every team that sold raffle tickets are eligible to receive half of the total amount raised by that team. If a team did not participate, they will not receive any money from the raffle.

Tickets that were sold at non-NICA and non-IIICL events, or that were purchased without a team designation, are not included in these amounts. These proceeds will remain with the Idaho League to benefit the program. Amounts are detailed below.
