2020 Idaho Teen Trail Corps Report

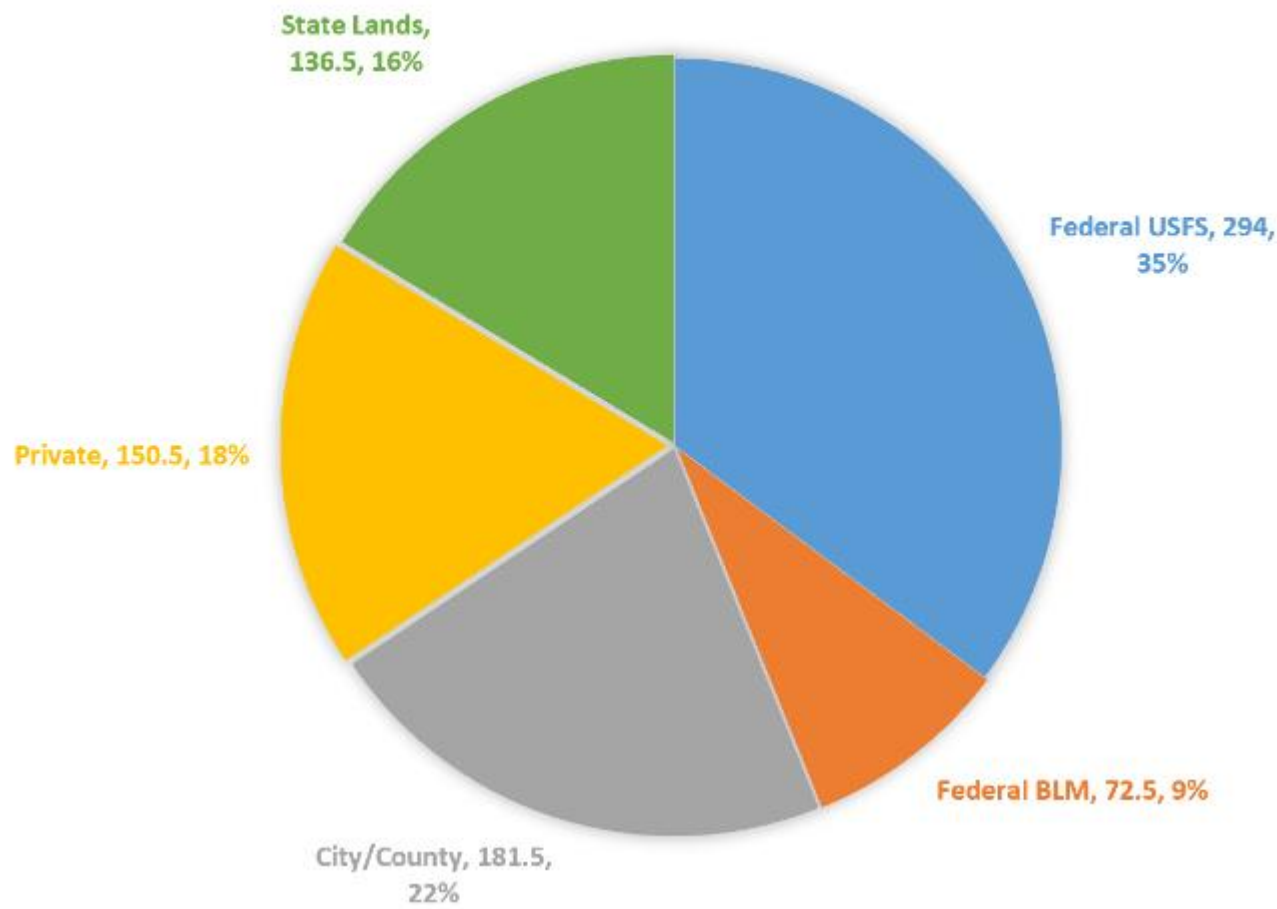

Teen Trail Corps (TTC) is a National Interscholastic Cycling Association (NICA) program, supported by REI and the Walton Family Foundation, providing NICA student-athletes the opportunity to serve and give their time towards bike related advocacy activities. It is designed to provide exposure and be a gateway for NICA student-athletes into the world of advocacy, through trails. 2020 was the second year of TTC in Idaho and while Covid slowed us down a bit, we are looking forward to regaining our momentum and then some in 2021.
